

GARDNER PARKS AND RECREATION

EARTH DAY/ARBOR DAY 2016

Come Celebrate Earth Day with Gardner Parks and Recreation! Since the first Earth Day in 1970, people around the world have sought to celebrate the planet through a variety of community events. This Earth Day event is not only about renewing your commitment to saving our living planet, but observing the beauty and vitality of nature.

Families, organizations, church groups, and individuals of all ages are invited to be a part of this important event. After a group cleanup of the Gardner Greenway Corridor, join the Parks and Recreation Department for a free barbeque lunch in the park. Watch a tree planting demonstration and take part in a drawing for free trees, t-shirts and other prizes!
